nline, playable directly from your browsers, with no downloads required, and all
being free and unblocked, as our administrative team has not only brought along
the original game that inspired this series of fantastic bubble shooter games,
but we have also put fan-made ones inspired by it, with many of them belonging t
o other series as well, but using this popular gameplay.</p>
<p>This video game was originally released in 2003, with one year later se
eing the release of an updated version we are sure many of you are familiar with
, called Zuma Deluxe. In 2004 it won the title of game of the year at RealArcade
, which was a great recognition in addition to the huge sales the game did. Sinc
e then it has been ported to mobile devices, new consoles, and you can play it w
herever and whenever.</p>
<p>The rules of Zuma Games explained!</p>
<p>The game is set in an Amazonian forest with ancient temples and the lik
e, and ceramic balls are moving along a set path in each level, with the paths g
etting more complicated from one stage to the other one. Your goal is to elimina
te all of the rolling balls before they reach the yellow skull, because if they
do, it opens its mouth, eats them up, and you lose the stage.</p>
<p>You shoot your balls, two at a time, from a frog statue, using the mous
e, and you can change between them with the right mouse button while using the l
eft one to make the shot after aiming. Aim to hit or create groups of three or m
ore identical balls, meaning that they have the same color, since then they expl
ode, and might even create a chain reaction with other ones.</p>
