<p>Share</p>

<p>Minecraft Classic is an online version of the famous open-world sandbox building game. It is a remake of the original Minecraft and was released for its 10th anniversary by the developer Mojang. In the game, players can build in creative mode using 32 available blocks. The game has a multiplayer feature so you can play with up to 8 friends.</p>

<p>History</p>

<p>Minecraft was first released to the public on 17 May 2009. Today it is published in the exact state of its initial release. This means that there are only 32 blocks that you can build with, and all the original bugs are in there! So if you are used to the latest version, it can be quite a shock to see how the game has evolved. To quote Tom Stone from Mojang "With just 32 blocks to build with, all the original bugs, and an (inter)face only a mother could love, Minecraft 2009 is even more glorious than we remembered!"</p>
