<p>The Making Of</p>

<p>I ve always liked the idea of creating experiences for the web. Nowadays, almost every mobile and desktop device has a web browser and visitors can experience your creation without the friction of downloading and installing a separate app. Prior to creating Vortelli s, I dabbled with tools like Three.js, Phaser and Construct, but I never actually completed a project. I kept falling into the cycle of starting a project with excitement and motivation but as I d encounter problems, I d gradually lose interest and eventually quit.</p>

<p>In mid-2024, I promised myself that I was going to break that cycle by finishing and releasing a 3D multiplayer web game. I still wasn t proficient with any particular game engine and I spent many hours reading and watching YouTube videos trying to decide on the perfect engine. I eventually figured out that there was no such thing as a perfect engine and I really just needed to pick one,
