The thrilling much loved motorcycle game explodes on to mobile today. Moto X3M brings awesome bike racing with beautifully crafted levels straight to your mobile. So grab your motorbike, strap on your helmet and grab some airtime over obstacles and beat the clock on amazing off road circuits.

Moto X3M Bike Race Game 9+ - App Store : apps.apple.com

First, do a flip at the start to save time.

Second, once pushing the weird boot thing down, do an in-the-air boost to be able to do a front flip onto a javelin.

Third, do a backflip or frontflip on the weird thing that shoots a spikey ball out.

Fourth, while in the air, do a boost.
