&lt;p&gt;&lt;/p&gt;&lt;p&gt;The London postal district is the area in England of  
241 square miles (620 km2) to which mail addressed to the London post town is d  
elivered. The General Post Office under the control of the Postmaster General di  
rected Sir Rowland Hill to devise the area in 1856 and throughout its history it  
has been subject to reorganisation and division into increasingly smaller posta  
l units, with the early loss of two compass points and a minor retraction in 186  
6. It was integrated by the Post Office into the national postcode system of the  
United Kingdom during the early 1970s and corresponds to the E, EC, N, NW, SE,  
SW, W and WC postcode areas. The postal district has also been known as the Lond  
on postal area. The County of London was much smaller, at 117 square miles (300 ) Tj T\* B
