Fireboy and Watergirl 5: Elements is a co-operative 2-player game in which you take control of either Fireboy or Watergirl. The two characters must work together to solve the puzzles and overcome the obstacles in each level. In this game, the characters explore different temples such as the wind temple, ice temple, and fire temple. Browse our Fireboy and Watergirl games for the full series!

Fireboy and Watergirl 5

Co-operative Gameplay

Fireboy and Watergirl 5: Elements relies on co-operative gameplay. That means it's much better to play it along with a friend! Instead of playing against each other, you work together to solve puzzles and move on through the level. The controls are set up so you can both play comfortably on the same device . If you want to play solo, you can still play by controlling both characters at the same time.
