For example: I am given a 20 Casino bonus with a 10x wagering requirement. This means I need to spend 200 on eligible games, before I can withdraw any pending winnings gained.

Stakes on some of our games may not count in full towards the wagering requirement, Standard Game Weightings may apply.

A wagering requirement is how much you need to bet to withdraw all the money in your account. For example, if you have R\$100 in your account but R\$50 of that is bonus funds, you'll need to complete the wagering requirement to cash out.

Wagering requirements can range from 1x to 5x for online sports betting bonuses.
