Moacyr Moacyr There wasn't much violence because

most of the major deaths happened mentally including possessing and frightening visions which can be found disturbing.

Because of that reason there isn't much gore but there is a major suicide and a particularly harsh animal death and multiple sad connections to that scene.

In addition to the many visual and character references to The Ring, those who have seen the original will notice that

the sequel, while scarier, lacks the first's

novelty and many of its strengths.
