

mega sena da caixa

While it is graphically impressive, the gunplay remains state of the art, and there are some welcome but all-too-brief attempts to read new ground, Modern Warfare 2's campaign relies too much on echoing the victories of Call of Duty's past rather than establishing its own triumphs.

Latest Critic Reviews

A somewhat droll campaign will greet players of Modern Warfare II. It's a short bombastic romp with some fun gunplay moments and fantastic graphics. The multiplayer, however, is a miss as it is no longer a properly combined entity and the lack of replayability is disappointing.
