<p>23 Dec 2024 15.13 GMT Erik ten Hag talks to TNT. We had a solid perfor
mance f we were controlling the game f we performed very solid, controlling the
game in possession f also we didn t give chances away f we had to score f we had
opportunities f then one moment of switching off, we conceded a goal f we have
options f Marcus Rashford can play all positions across the front f when striker
s don t score confidence will decrease, but they have to believe f as a team we
have to make the passes in the final third f [the central defensive partnership]
played well but you want to have routines and when the routines are not there y
ou concede a goal like we did f when the routines are in, this moment is out. &l

<p>23 Dec 2024 15.08 GMT David Moyes speaks to TNT Sports. It was a great
win for us f we didn t do brilliant in the first half but we done a job f as th
e game went on we got much better f sometimes when you make the change it doesn
t work, but we put Paqueta more like a number nine and he held the ball up brill
iantly f they are really talented players and we can move them around f we ve wo
n 31 games in the calendar year f we ve won a trophy in the middle of it as well
f West Ham aren t going to win all of our games, we re not that sort of club f
we re not that team, we re not ready to do that, but I hope we can build towards
it f we ve just lost the best player in England in the summer f but we re in a
pretty lofty position f if we d have been knocked out [of the League Cup] by Lin
coln in the first round, I m not sure people would be taking so much about [the
midweek selection at Anfield]. </p>

<p>23 Dec 2024 14.59 GMT A glum Luke Shaw speaks honestly to TNT. Just no
t good enough, really f we have to win games and that s it f we keep losing game
s and points and making it very hard for ourselves f especially that second half
, not good enough f the first half we controlled the game f if we scored the fir
st goal, maybe the result is different, but we don t, so we suffered in the seco
nd half, and again, it s not good enough f I don t feel [West Ham s tactical cha
nges] disrupted us f the pass was an unbelievable pass and he got a bit of luck
with a rebound f the second goal is a mistake but that doesn t matter, from the
start of the second half we were not the same f it s why I m here now f it s tou
gh to think what s going on f we re not creating enough and when we do we re not
clinical f it could be a lack of confidence f we have to keep staying positive

f we have another big game coming up against Aston Villa f we can t keep droppin
