You can play our online 2 Player Games on your PC, m
obile phone, or tablet without downloading anything. Access our web games from y
our browser for free. Our games can be played without Flash. Most of our 2 Playe
r Games can be played together on one computer. Some of the games you can also p
lay together on different computers, see our .io Games or Multiplayer Games.

/

How to Play 2 Player Games?

Most of our 2 Player Games require just one computer with one keyboard.

The keys are mentioned in the walkthrough, game menu, or description. For examp
le, one player uses the arrow keys while the other uses the WASD keys. So, share

the screen and keyboard together and enjoy playing.

Most of our 2 Player Games can also be played on mobile phones and tabl
ets. Here the screen will be divided into multiple parts, and each player contro

ls from their own part.
