Call of Duty: Black Ops is a military first

person-shooter, and the average level of violence in multiplayer a

nd campaign slightly greater than most first person shooters.

While there is no explicit gore in multiplayer (just blood), the level of violence in

the campaign can get quite strong and graphic.

The downside to the game is that

it is realistic, therefore you see blood, violence and other negative sti

mulants that can be harmful for a child.

In order to win the game, you need to win the war. Since the video game is about war, you have to kill as

many people as possible.
