A turnkey property is a fully renovated home or a apartment building that an investor can purchase and immediately rent out. A turnkey home is often a property purchased from a company that specializes in the restoration of older properties.

What Is a Turnkey Property? How It's Used as an Investment - Investopedia : terms : turnkey-property

What is a turnkey property? Turnkey is a term used by listing agents in marketing remarks to indicate that the home is move-in ready. This means that all appliances are in working condition and there are no obvious structural or electrical issues with the home.
