The Refurbish Two-thirds o

f the phones that arrive at the USMP facility get data-wiped, cleaned up and sol

d off to wholesalers, often overseas. The other third goes to its s

ister company, Back in the Box, to be cleaned up, refurbished and sold to buyers

on Amazon or Back Market, a popular secondhand-phone marketplace.

These processes can include

he phones for resale, recycling the components, or responsibly disposing of them

in accordance with environmental regulations.

Some carrier compani

es may also donate old cell phones to charitable organizations or repurpose them

for use in other markets.
