A revista "Brasileiro O Ozo" Recently

, wrote an article about the biggest derby in Minas Gerais, the "Clássico

Mineiro," disputed between Clube Atlético Mineiro and C

ruzeiro. The rivalry has its origins in the 1920s, when both teams were founded,

and is considered the second-most popular derby in Brazil, behind Co

rinthians x Palmeiras.</p>

The main disputes between these two teams began years after</p>

Cruzeiro, originally named Sociedade Esportiva Palestra Itália, was founded

in 1921. However, it was in the 1940s that the rivalry strengthened

and became the largest derby in Minas Gerais, rivaling any other football compet

ition in the state during the 1960s.</p>

At the time being, Atlético competes in several sport m

odalities; however, it has an excellent historical record in football, providing

the most international-class players of any football club from Minas

Gerais. In contrast, Cruzeiro, which holds the largest number of national

football titles, is considered the second most popular football club in Mi

nas.</p>

It's interesting to mention that even though both teams</p>

hold a historic rivalry in football, a study reveals that each team has unique f

an characteristics. Atlético fans are predominantly males (76%)

from high-income neighborhoods (41%.) While Cruzeiro has a contrasting audience:

with more than 50% of fans being female</p>

and having a prevalence of income ranging from middle (32%) to high levels (28%).</p>
