Mario is an emblematic character for gaming all arou

nd the world. The little Italian character dressed in a red overall#128522; has

one of the longest gaming stories in the world, which started in a short platfo rmer adventure in a 2D#128522; set, and now there are 3D Mario games that boys

still love to play in 2024, and even racing games#128522; in specific car games

that you will be able to find right here on our website, where today we are#12

8522; publishing the Mario games online category, in which we stacked all kinds

of Mario challenges that you can play for#128522; free, and starting from today

even try out on your phones and tablets wherever you are.

The Mario scenes are going#128522; to be incredible, because even thou

gh its first original game was in the 1990s, the classic Mario game is still#12

8522; popular, and you can see that the platformer adventure has new remakes tha

t boys still love to play, and try#128522; to help Mario finish his mission and

gain a lot of points while they try to save the princess at#128522; the end of

each and every one of the adventures.

Let#39;s start the first adventure game with Mario and his friends!

As we said, the original story of Mario, the Italian plumber was based

on a platformer story. Mario is an#128522; ordinary plumber who is dressed for

the job, he always has on a red overall, a cap, and even has#128522; a little m

ustache that can be seen under his big nose. Mario falls in love with a princess
