Immerse yourself in the exciting world of Ben 10 with the online game Omnitrix Glitch. This game requires your courage and dedication to confront and defeat monstrous villains. Since the game is free, you are not limited by the plot. Once you've defeated all the villains in a mission, you can start a new one. Ben has been using the Omnitrix to transform himself into various creatures from other planets to help him fight alien threats. However, the Omnitrix has begun to malfunction, possibly due to an unknown virus. While Ben is busy fixing it, the enemy is closing in and it's up to you to step in.

In Omnitrix Glitch - Ben 10, you'll manually mix molecules, correct the results, and then set out to defeat the enemy.

Games like Omnitrix Glitch - Ben 10

Alien Force War : An action-packed game where you fight against alien invaders, similar to Omnitrix Glitch - Ben 10.

Galactic Champions : A strategic game where you assemble a team of aliens to fight off threats, reminiscent of the DNA-mixing element of Omnitrix Glitch.

Hero Time: A game that also features Ben 10, where you use the Omnitrix to transform and defeat enemies.

Yes, all of the Call of Duty: Modern Warfare games on PS3 have a singleplayer campaign. Some of the campaign modes have a
