Of course, fans of the franchise can start playing right away, but the rest of you, we invite you to learn how to play the game. Well, you begin by choosing which of the two characters you want to be, one girl and one boy, or you can create a custom character, to your liking. You are going to need only the mouse to play. You have to get the order from the customers, and make their orders exactly like they asked, and then give it to them, getting the appropriate amount of money back. Of course, your goal each day is to earn as much money as possible, and don't let customers wait too much for their food, or you might get fired.
