In Five Nights at Freddy's 2, the player controls Jeremy Fitzgerald, the night guard at the recently reopened Freddy Fazbear's Pizza. By avoiding animatronics controlled by the ghosts of deceased children, player must survive five nights in the pizzeria. The animatronics will move around the pizzeria at night, and they will attack the player if they get too close. Players can use flashlights and a few other tools to defend themselves, but they must be careful not to use too much power, or else they will lose.

The wither animation is the original animatronic from the first Five Nights at Freddy's game. They retired after the first game, but they were brought back to Freddy Fazbear's Pizza in Five Nights at Freddy's 2. The wither animatronics are in disrepair and they are even more dangerous than most. The wither animations include:

Withered Freddy: A brown bear with a red bow He is the most damaged of the wither animators.

This is the version with slight tweaks in both graphics and They will move around the pizzeria much faster and attack the player more often.
