Call of Duty: Modern Warfare II

The difficulty of Bots in MWII are, Recruit, Regular, Hardened, Veteran and

Mixed. They currently only use a limited amount of weapons in the game.

There are two methods to get bot lobbies:

smurfing and manipulating SBMM. Both of these require time but do not take much

effort. You may have to work through some low skill games and face low ranking

players along the way. These types of matches are a great way to learn the game

as they are easy lobbies.
