several days in late 2024, and the Special Ops and multiplayer modes continuing the story into 2024. Call of Duty: Modern Warfare 3 is a first-person shooter game developed by Infinity Ward and published by Activision. It is the third game in the Modern Warfare sub-series and the 25th overall in the Call of Duty franchise. The game was released on October 27, 2023, for PlayStation 5, Xbox Series X/S, and PC. It features a single-player campaign, a multiplayer mode, and a Special Ops mode. The game is set in a near-future world where a global conflict has broken out between the United States and a coalition of nations led by the Russian Federation. The player takes on the role of a member of the United States Marine Corps, fighting against the Russian forces and their allies. The game includes a variety of weapons, vehicles, and maps, and is known for its high-quality graphics and immersive gameplay. It has received mixed reviews from critics and players alike, with some praising its graphics and gameplay, while others criticize its story and multiplayer modes. The game is available on the PlayStation Store, Xbox Game Pass, and Steam. It is also available on the Activision website. The game is a part of the Call of Duty franchise, which is one of the most popular and profitable video game franchises in the world. The franchise has been successful for over two decades, with each new game selling millions of copies and generating billions of dollars in revenue. The success of the franchise is due to a combination of factors, including its high-quality graphics, immersive gameplay, and strong marketing. The franchise has also benefited from the popularity of esports, which has helped to increase its visibility and attract new players. The Call of Duty franchise is a testament to the power of a well-executed video game franchise, and it is likely to continue to be successful for many years to come.
