<p>I thought the game and awesome! The screen effects really made the stor
y come to life. And it wasn t 🌻 boring where you just want to skip it t
hrough and move on, you really want to read it and see 🌻 what was happe
ning! But there was only one problem, which caused me to delete the app. When yo
u first open 🌻 the app, they ask for your age, one of the options is 18
and under. So I click that and 🌻 I start my first story. I really like
d it! The story was well played out and I laughed a little 🌻 too. But t
he only problem was that the F word was put in there at least once in each sto
ry. 🌻 I think that is extremely disappointing that they would do that.
If you click 18 and under, I expect the 🌻 creators of the app to elimin
ate all the F words and maybe more swears, I say this because 18 and 🌻
under does include 10 year old, and younger as well. I do not think it is appr
opriate to add those 🌻 types of swears into the younger category. It s
a bad influence on children and really dangerous when you expose them 🌻
to that kind of language. So I think that they need to fix that immediately. It
s ruined the app experience 🌻 for me. If they update it, and eliminate
the F word from 18 and under category, I will gladly play 🌻 it again

.</p>
