Giant pandas are by nature solitary animals, for most of the time avoiding direct contact with others of their own kind. But at crucial stages in their lives pandas, like all solitary mammals, are forced to spend time with each others. In spring males and females must seek each other out in order to mate. Medusa is often depicted as scary due to her ability to turn people to stone with a single glance. In Greek mythology, she was cursed with this ability as a punishment for her actions. Her appearance, with snakes for hair and a frightening gaze, also adds to her terrifying nature in many stories and depictions.
