[Hellraiser](#) is a movie that is often remembered for its iconic imagery and disturbing themes. However, the film has received mixed reviews from critics and audiences alike. Some praise its gore and shock value, while others criticize its pacing and overall quality.

Unlikable characters, cast, bland and irritating performances (Odessa A'zion's performance was infuriating and exhausting), slow pacing, poorly written dialogues and story; overall another disappointing Hellraiser installment. The trailer was great but the film was outrageous.
