<p&gt;Best cod of the modern era, not that that saying much. The campaign was
fun enough, £ with interesting ideas such as dialogue options and branching mi
ssions, but overall it's hard to get invested in due to £ the state of the
overarching COD storyline. I'm honestly can't tell if this is solely in
the new MW timeline, £ a sequel to the old black ops storyline, or some weird f
usion of the two that drags the old games £ into everything.</p&gt;
<p&gt;Not much to say on the MP. I haven&#39;t played it since it&#39;s year
in the cycle, and games £ are hard to find, at least on pc/steam. From what I r
emember I enjoyed it, especially the 3v3 mode, the £ overall game feel is bad c
ompared to the MW games, but I think that $\#39$; s not an issue going forward. Fun
 £ for the most part, but SBMM makes matchmaking annoying to participate in, oft
en having the game openly tell you it's £ searching for games with 100 plus
ping at times.</p&gt;
<p&gt;Zombies though, Zombies is genuine great. BO 3 is certainly the peak
of the original zombies formula, but I dare say I almost like this more, gamepl
ay wise. It is sadly missing £ a lot of the personality of the W@W-BO3, with MP
operators as characters instead of a set crew being the £ largest problem. The
HUD does also kinda suck, fine in function but lacking any character in the des
ign. Especially compared £ to BO3, although I'd say it's still miles ab
ove BO4 with how cluttered that was.</p&gt;
<p&gt;All in all, I&#39;d say it&#39;s £ worth it on sale if you really like
cod zombies and skipped this one. It has a lot of rouge-like £ elements that c
an keep you playing for a while, plus a weapon/camo grind, if you're into the
at sorta thing. If £ you're not a fan of zombies, don't bother.</p&q
