With thousands of fighters applying annually to the UFC for the opportunity to fight in the Octagon, applicants can now post their profiles, videos, photos and their fight history on Jobbit. A simple application is then automatically shared directly with UFC management for their review.

Apply to Be a Fighter - UFC

us.ufcespanol : news : apply-be-fighter

The gel being applied to the fighter's face near the eye is typically a lubricant or petroleum jelly.

This is done to prevent cuts and abrasions during the fight. The lubricant helps to reduce friction and can make it more difficult for an opponent's strikes to open a cut around the fighter's eye.

In a UFC fight night, before entering the octagon, a match official rubs...
