From Flash to HTML5 available without Poki games

Our editors have been working since 2013 compiling the rating of games for you, and many of our regular visitors are constantly sending interesting new materials. You always have such an opportunity! Together we are working on the popularity rating of 1001 games and strive to keep it up to date. The sets of game categories are quite diverse, and the plots of many 1001 games are classified into several genres at the same time, so you can always understand what is most popular and in demand right now. Although we firmly believe that Poki games are worth checking out, there are currently a lot more offers from other game developers. These top 1001 games may not always meet your specific needs, so we suggest you look deeper, scroll through the pages of the game category, and you will definitely find exactly what you are looking for.

Some players might enjoy playing strategic 1001 games, but others would prefer a frantic shooter. We offer challenges for everyone, whether you prefer those that call on you to solve a variety of puzzles and carry out logical activities. Remember, to work well, you need to rest well. Play with us!

This exciting collaboration has expanded our portfolio of 1001 games, offering you an even broader selection of gaming experiences. We are committed to providing a diverse range of high-quality games that cater to different genres, preferences, and playstyles.

Join us at Desura to explore the world of 1001 games and immerse yourself in captivating adventures. Discover new challenges, engage with our passionate gaming community, and unlock hours of entertainment.
