After entering a park, open the My Disney Experience app and sign in to your Disney account. Tap the **More** option at the bottom right of the welcome screen. Then, tap on the Disability Access Service (DAS) button to enter the self-selection flow. The tool can also be accessed from attraction detail screens

DAS is intended for Guests who have difficulty tolerating extended waits in a conventional queue environment due to a disability. DAS doesn't provide immediate access to experiences, but rather allows Guests to request a return time for a specific experience that is comparable to the current standby wait.
