A roulette wheel consists of a spinning disk with division, around it is a groove that forms the base of the bowl. The ball is spun around the outside of the bowl and eventually falls into one of the holes.

There are two types of roulette: American roulette and European roulette. American roulette has 38 pockets (18 red, 18 black, and 2 green), while European roulette has 37 pockets (18 red, 18 black, and 1 green).

The house edge in American roulette is 5.26%, while in European roulette it is 2.70%.
