Warzone 2, unfortunately, you'll have to recreate it from scratch. As of right now, the game is still in development. We're not sure when it will be released, but we'll be sure to let you know as soon as we have more information. In the meantime, we'll be working on other projects that we think you'll enjoy.

Warzone 2 is a free-to-play battle royale game developed by Infinity Ward and published by Activision. It is the sequel to Warzone, which was released in 2020. Warzone 2 is currently in development and is expected to be released in late 2022 or early 2023. The game will feature a new map, new weapons, and new gameplay mechanics.
