ção Best cod of the modern era, not that that saying much. The campaign was
fun enough, 💳 with interesting ideas such as dialogue options and bran
ching missions, but overall it's hard to get invested in due to 💳 t
he state of the overarching COD storyline. I'm honestly can't tell if th
is is solely in the new MW timeline, 💳 a sequel to the old black ops st
oryline, or some weird fusion of the two that drags the old games 💳 int
o everything.ção
ção Not much to say on the MP. I haven't played it since it's year
in the cycle, and games 💳 are hard to find, at least on pc/steam. From
what I remember I enjoyed it, especially the 3v3 mode. the 💳 overall ga
me feel is bad compared to the MW games, but I think that's not an issue goi
ng forward. Fun 💳 for the most part, but SBMM makes matchmaking annoyin
g to participate in, often having the game openly tell you it's 💳 s
earching for games with 100 plus ping at times.ção
ção Zombies though, Zombies is genuine great. BO 3 is certainly the peak &#
128179; of the original zombies formula, but I dare say I almost like this more
, gameplay wise. It is sadly missing 💳 a lot of the personality of the
W@W-BO3, with MP operators as characters instead of a set crew being the ㈑
9; largest problem. The HUD does also kinda suck, fine in function but lacking
any character in the design. Especially compared 💳 to BO3, although I&#
39;d say it's still miles above BO4 with how cluttered that was.ção
ção All in all, I'd say it's 💳 worth it on sale if you rea
lly like cod zombies and skipped this one. It has a lot of rouge-like 💳
elements that can keep you playing for a while, plus a weapon/camo grind, if yo
u're into that sorta thing. If 💳 you're not a fan of zombies, d
on't bother.ção
