In Apple Knight Golf, Apple Knight takes a different

approach to beating his enemies. Instead of fighting them head-on with

his sword, he will fight them using the power of golf! In each of the 15 leve

ls, you will have to shoot your apple across the map, hitting every e

nemy in the progress. Defeat them all and the hole at the end of the

level will unlock. Shoot the ball into the hole and you win! Be careful of spike

s or pitfalls however, one fall into one of those and its game over.
