If you're having trouble connecting to the Call

of Duty: Modern Warfare, you should first check Call of Duty: Modern

Warfare Server Status. If the status indicator for your platform

is not green or an alert is present, you might encounter connectivity issues until

the service is restored and fully operational.

Run a security scan to remove any viruses or malware infections. Try creating a new admin

istrator account to resolve permissions issues. Uninstalling and reinstalling the

Blizzard App may resolve rare launcher issues.
