O handicap é uma forma de apostas esportiva, na qual uma equipe ou jogador é dado uma vantagem simulada antes do início do evento. Com o objetivo de nivelar as chances entre os dois competidores!

Cap 2 especificamente refere-se a uma situação em que determinado time ou atleta foi dar essa desvantagem inicial de -2, no caso significa: eles começam o jogo sem nenhum déficit por seus gols (pontos ou outras unidades), dependendo pelo esporte;

Este tipo de handicap é frequentemente usado em esportes como futebol, basquete, tênis e rugby; entre outros - onde uma clara favorita para vencer a partida! Ao dar um handicap de 2 a um time;

Por exemplo, se você apostar na equipe favorita com um handicap de -2, eles precisam vencer a partida por uma margem maior do que isso para a oferta seja considerada ganhadora! Se deles ganham apenas 1 gol ou ponto e a vista será considerado empatado; porque o time teve o vencedor pelo mais no jogo.

Portanto, é importante lembrar que o handicap de 2 foi apenas uma ferramenta usada pelos bookmakers para abalancar as probabilidades e fazer das apostas mais interessante. Antes de fazer qualquer jogada também é sempre recomendável analisar os times ou jogadores envolvidos; além de outros fatores relevantes que possam influenciar no resultado final do jogo.

Parents Need to Know Injuries, death, blood, and shock are shown in many ways. Profanity includes "f--k" and "s--t." For older teens mature enough to grasp the testament to willpower, perseverance, and spirituality when placed in a horrific situation, Alive is as thoughtful as it is riveting.
