What makes it worse is that he must be horrible at playing it because he usually loses all or most of his chips. He usually can't remember how many chips he has from day to day so I'll try to win him some without him knowing. Sometimes I'm not able to do then I have to buy chips to help him out. I can't buy chips on his account because he's on a fixed income and he would go crazy if there was a charge for purchasing chips. I'm guessing and at least for me, I've noticed purchasing chips will cause a lot more losses since they know the people who purchase chips will purchase more wh
