From the Classical Ages toward the main story of Me

medusa took its form. She was, as described in the article's introduction, a

hideous monster with snake hair, that turned men into stone

until she was slain by Perseus.

There are no stories that

tell us of Medusa turning people to stone, nor any tales of her harassing or

killing people (unlike other Greek monsters such as Scylla and Charybdis). Alth

ough she had the power to kill, she was not inherently evil
