

f1 bet

Core Themes. The game is typically rated M For Mature, which means

it's suitable for ages 17 and older.

So, this is a more realistic version of Fortnite. So, if your child is at least 11 I recommend the video game! Parent review

ing moments that could scare younger children. Some areas of the game are accompa

nied by eerie music that could make younger players nervous, and the character d

esign can be downright spooky.
