Ys_(series) is a series of action role-playing games developed by Ys Development and published by Falcom. The games are set in a fantasy world and feature a protagonist named Adol Christin. The series is known for its fast-paced action and its unique "Ys" sound effect.

They're connected in that they take place in the same setting, but they're not connected in the sense that playing games before is necessary to understand later games.

Ys I & II are connected directly by story. The rest can be played in basically any order, as far as story is concerned.
